About Friends Fellowship of Healing

The FFH is one of the largest single interest groups within the Religious Society of Friends (Quakers), in Britain. It attracts a great deal of interest and support, in particular at Britain Yearly Meeting where it offers a healing and counselling service.

The spiritual power of a group can far exceed the sum of the individual members, and so within the Fellowship there are Groups who meet regularly to pray for those who are in need. These groups hold others in the loving, recreative power of God.

FFH is a UK Registered Charity, No. 284459
